Green Mountain has been one of our fuel providers since May 2007. Thru the years Green Mountain makes sure our vessels have been fueled in a timely manner. John R. Schwartz has taken the time to meet and reach out to our Purchasing Agents at our Corporate and Branch Offices to make sure our needs are being taken care of.

John Schwartz recently starting handling our logistics needs in trucking. Logistics is a need we had and he has ventured in this arena.

It has been a pleasure to work with John Schwartz and look forward their continued service as a fuel and logistics vendor.

Best regards,
